CITIZENSHIP BY INVESTMENT PROGRAMME

Turkey, a strategically positioned transcontinental country, is bordered by three seas and offers excellent transport links, facilitating connectivity with key markets. A popular tourist destination, Turkey is known for its rich cultural heritage, stunning architecture, world-famous cuisine, and thriving business environment.

Launched in 2016, the Turkish Citizenship by Investment Programme focuses on attracting real estate investments into the country. The programme is straightforward, allowing investors to earn rental income and resell their property after a three-year holding period.
